We only have a few weeks left to rehearse for our Spring Recital at the First Baptist Church of Woodstock, on Friday, May 4th at 7:00 pm. Everyone knows all their songs, and we are doing very well. ☺ This is the month that we will have opportunities to join other students during our own lessons, and during our music partners' lessons. I will circle the ones on your calendar that will be important for you to attend. We really need all our choir members to be singing along with YouTube.com's "**Dona Nobis Pacem**", and our instrument groups also have recordings to play along with at home. We really have to practice playing and singing together as a group more. Please plan to dress up and be at the church's Orchestra Room for a final tuning and "walk through" at 6:30 that Friday. We will try out our Orchestra seats, practice getting up and down from the audience, and do a sound check before starting. It's a wonderful place to be!

Prizes will be awarded for the following categories:

Most Songs Played in the Recital

Most Instruments Played in the Recital

Most Rehearsals Attended

Our Summer Scholarship Winners will be announced, and you can begin signing up for Buy One – Get One Free lessons, or classes on Tuesdays, Thursdays, and Saturdays in June and July. Private Lessons are \$90 for 4 weeks, and Classes are \$75 for 4 Weeks.

Let's Make Music, Inc is a 501c3 non-profit music ministry, making lessons and instruments affordable for students and families. www.letsmakemusic.us 770-295-9235
